Full -Time program leader
At home volunteer

All at camp positions require training. All first year volunteers at Peninsula Day Camp are required to complete 11 hours of training. All second year volunteers at Peninsula Day Camp are required to complete 5 hours of training. All third year or more (does not need to be consecutive) volunteers must complete 3 hours of training. Dates and descriptions of the training are listed on the training agreement and on the web site, www.peninsuladaycamp.org. ***Please check your availability for training before agreeing to a volunteer position.***

Fill out the Adult Registration/Training Agreement, sign the form and return it with your child's registration form and check. Campers registered with an at-camp adult volunteer are automatically accepted into camp.

A limited number of "at home" volunteers are needed. **These positions require completing 20 hours of work but no training.** Please fill out the adult registration/training form and indicate you are volunteering for an "at home" position. You do not need to sign up for any training. At home jobs are described on our website, www.peninsuladaycamp.org. Our volunteer coordinator will contact you, in registration order, regarding your volunteer job. These positions are limited and go quickly. When you receive a call from our volunteer coordinator, the sooner you return her call the greater the "at home" job selection/availability.
